

Living Classics Cookbook

Brought to you by the Fort Saskatchewan Public Library

Do you have a favourite family recipe? Send it to us!

What exactly are we looking for?

We want any tried and true recipe that you learned from your parents, your grandparents, the classic dishes from the living classics in our community. Submit your recipe along with a small 3-4 line description of where the recipe came from, it's history, and a little bit about yourself.

For any written entries, please ensure they are printed neatly so we can accurately record them.
