

## Curbside Pickup Service

Curbside Pickup Service is back and available Monday - Friday between 10:30 am and 5:30 pm & Saturday between 1pm and 4:30pm.

No appointment is necessary. Just come to the north doors of City Hall, by the library's outside return slot, and call 780-998-4275. Please have your library card number with you. Staff will retrieve your requested items, check them out, and bring them to the cart at the top of the steps for contactless pickup. Please maintain physical distancing when picking up your items.

Search for and place requests for materials through the online catalogue at [www.fspl.ca/catalogue](http://www.fspl.ca/catalogue). Please note that Interlibrary Loan requests from out of system are suspended until further notice.

If you would like staff to pick out some items for you, please call 780-998-4275 with your request before coming to the library to give staff time to find some items for you.
