

July & August Programs

Registration begins June 21, 2021

Message from the Library Director

Summer is now upon us and we take delight in the warmth and growth that surround us. As we begin to emerge out of the pandemic, the normal that some of us may long for is neither possible or a worthy goal. We have learned and continue to learn so much from this pandemic. It has reshaped and transformed us providing an opportunity to rebuild ourselves and our organizations in a different and better way. Just like a butterfly that struggles to come out of its cocoon, we too will emerge out of this pandemic with beauty, stamina and a renewed strength.
