November & December Programs

Registration begins October 22, 2021

Winter Wonders

As we transition to winter days that are shorter and colder, we can look forward to some cozy programs offered online and in person. Snuggle up with a good book from one of our many themed displays. Travel and explore Brazil and France in November and December with our virtual Travel Club. Get into the holiday spirit by learning a new craft with Creativebug or making a tree ornament. Pick up one of our DIY crafts that include sewing a festive felt sweater ornament. Visit one of our in-house specialists in the areas of genealogy, technology, immigration and community development. Warm up and get active with a Judo demonstration or solve some fun word puzzles in our Living Classics Activity Take Out Packages. There is so much to do to keep our minds and bodies warm and active at the Library.
