

# Summer 2022 Programs

Registration begins June 17, 2022

## TD Summer Reading Club:

### *Once Upon a Time, Myths and Legends Around the World*

Sign up at the front desk for our summer reading club! Or you can register online with the Beanstack app. The first 100 registrants who come to the library will receive a Miller's ice cream cone coupon. Everyone who records 6 hours of reading can choose a completion prize. You will also be eligible to enter our cool summer draw prizes!

Available online with the Beanstack app, or pick up your physical package at the library.

July 1 - August 31, 2022

## Get a CLUE! (Teen Reading Challenge)

Someone stole our end of summer prize! Who took the prize, what did they use and where did they hide it? Was it Ferguson Fox in the Makerspace with Harry's Invisibility Cloak? Or perhaps Judy B. Bookworm in the Baby Playzone with the One Ring?

We're counting on you to crack the case. Each hour you read or activity you complete, gives you an essential clue. When you think you have all six clues, make your guess! Each guess entitles you to one entry in our end of summer prize - an Instax camera.

Available online with the Beanstack app, or pick up your physical package at the library.

July 1 - August 31, 2022

## Library BINGO (Adult Reading Challenge)

Can you earn a BINGO? For each book that you read or library related activity that you complete check off the corresponding box. When you get five in a row, bring the sheet into the library. Or submit it online through your computer or smartphone. The more you play, the more entries you get for our end of summer prizes!

Available online with the Beanstack app, or pick up your physical package at the library.

July 1 - August 31, 2022
